

Jennifer J. Edwards Supervisor of Elections

Programs for schools

The Collier County Supervisor of Elections office is passionate about teaching voter education and civics to groups of all ages.

We are available to your public, private or charter school, or your community organization that serves children and youths. Our programs are FREE and can be scheduled at your convenience.

We provide programs for groups of any size and age, from kindergarten to high school, and can customize any program to your curriculum or specifications. Students can participate in elections using the same voting equipment used by Collier County voters.

To set up a program contact Education Coordinator Heather Wysocki at 252-8805 or heatherwysocki@colliergov.net. We look forward to working with you and your students!

Programs for elementary and middle school students:

- Florida Reading Association Children's Book Award elections for grades K-2
- Sunshine State Young Readers Award elections for grades 3-5 and 6-8, and Sunshine State Young Readers Award Junior elections for grades K-2
- Elections for custom reading lists
- Grade-level-tailored presentations on elections, election history, and voting
- Mock elections – we can customize a ballot for your students

Programs for high school students:

- Annual High School Voter Registration Challenge for students 16 and older
- Presentations on the importance of voting and civic participation
- Student government elections
- Prom and homecoming elections
- Mock elections on the topics of your choice (a great opportunity for anonymous feedback from students)
- Presentations to small groups or clubs
- Voter registration drives for students, faculty, and staff

Programs for colleges and universities:

- Student government elections
- Presentations to classes or student groups
- Voter registration drives for students, faculty and staff

Programs for service organizations:

- Voter education and registration for your students 16 and older
- Summer and break camp presentations
- Mock elections for any age group
